

MSPTO

September 2009

Dear Parents,

Welcome back to school!

The Middle School PTO is town wide organization that represents the Blanchard and Stony Brook Middle Schools. We are dedicated to enriching the education of the children at each of these schools.

Our mission is to raise enough money to support the fantastic programs that we sponsor, such as:

- School Improvement Plan (Smart Boards, Ipod Docking Station, Etc.)
- Arts & Education Programming Programs
- Library Grant
- Principals' Funds
- Teacher appreciation events
- Eight Grade Celebration

These are all programs that the children love participating in, and which are made possible through our fundraising efforts. Without your help these wonderful programs, and many others, would not be possible.

We will be introducing our 'Invest in Your Child' fundraiser. The success of this program completely depends on your support. Your generosity is what will enable us to cut down on the number of fundraisers. We are asking each family to make a \$60 donation. This donation will enable us to continue to support all the great MSPTO programs while reducing the number of fundraisers that come home with your children at the beginning of the year. The best part is that this donation is 100% tax deductible, with **100% of the donation going directly to the school.** We are hoping that all of you can make this a huge success!!

Thank you for helping make Westford schools wonderful places for our children to learn and grow!
