Summer camp is the heart of the scouting program, offering great fun, new skills, lasting friendships, and enduring memories. Troop 159 will continue its tradition of attending summer camp as a unit, scheduled this year for the Medicine Bow campsite at Wah-Tut-Ca for Week 1 of the 2011 season. Please note the following important reminders (full program information and detail preparation will follow in a few weeks):

1. All campers (boys and adults) must submit 3 copies of a current 2011 BSA medical form, including medical history and medical evaluation completed by a physician **after July 9, 2010**. It is available from adult leaders or from the Troop 159 website under "Summer Camp."
2. Attendance at camp is a rich experience for all of our scouts. We do not want to let financial hardship prevent a scout from attending. "Camperships" (full or partial financial assistance) are available from both the troop and the Council. Please consult Stefany Eck (978-250-1034) for confidential details.
3. In addition to the scheduled week of troop camp, scouts may choose to participate in other opportunities at Camp Wah-Tut-Ca this year (some age/rank restrictions apply – see a Scoutmaster for details):
 - a. One or more additional weeks in camp as a "provisional troop" following our troop's session for reduced charge (this includes the Extreme Week offerings offered Aug 7-12)
 - b. Gain camp and leadership experience as a Wah-Tut-Ca "CIT" (camp counselor-in-training), 3 week minimum, at significantly reduced charge (see a Scoutmaster for details).

†The camp program officially ends with a family barbecue and campfire on Friday night, July 8th. Campers must checkout with the troop and depart Friday night after the campfire.

Outing coordinator for troop week at Wah-Tut-Ca Scout Reservation is Rob O'Neal (978-392-4916).
