

LAST NIGHT 2008

Dear Westford Academy Freshmen and Parents,

On June 6, the Westford Academy Class of 2008 will be graduating. As part of their graduation festivities, Westford Against Substance Abuse (WASA) and over 200 community volunteers will be hosting the 18th annual Last Night graduation party. Last Night's goal is to provide an all-night, drug and alcohol-free celebration where Westford Academy seniors can spend the evening in a safe environment enjoying various games, casino tables, DJs, caricaturists, professional live entertainment, and much more.

With your help, each senior will receive a gift commemorating Last Night 2008, as well as items needed for life after Westford Academy. Westford Academy has provided a great foundation. Whatever path the members of the Class of 2008 choose, they will have many needs. Each class participates in donating different items for the seniors to make their transition easier.

In past years, through family donations, the freshman class has provided funding for the gift commemorating Last Night. This has proven successful and we would like to continue this tradition again this year. Anything that you are able to contribute would be greatly appreciated.

Before you know it, your freshman student will be graduating from Westford Academy. By supporting Last Night activities now, you will help to assure that WASA's tradition of providing a safe and fun night of festivities for Westford Academy graduates continues for many years to come!
