

The Last Night Committee for the Class of 2008 is delighted to announce that we will once again provide a 20 minute DVD for viewing at the Last Night event (probably around 4am!) Additionally, each student who attends will receive a complimentary copy. The DVD is intended to capture as many WA moments as possible and it is our goal to include at least one picture of every student in the class. *For this, we need your help!*

Please feel free to discuss this with your student but tell them not to share which pictures they've picked. We'd like to leave a few surprises for the night.

Here's all we need:

Two digital pictures which include your student. Please include the names of the students in the pictures so that we can keep track of everyone.

Deadline: Tuesday, April 8th

1) The pictures should be sometime during their high school experience. We would prefer not to get anything earlier because often it is difficult to recognize the student in their younger years. Besides, we're sure that there are many magic moments at WA that they would like to have remembered!

2) The pictures can be of a group or individual, but please try to limit the number of people in the picture to under 8. These pictures are flashed very quickly and it's impossible to recognize a very large group of kids. If you have big groups – save those for the photo wall where everyone can take their time to view.

How to get the digital pictures?

If you have them already on your computer or your students, just email them to Brenda Gould at brendagould@gmail.com. (preferred) The file size needs to be below 1 MB. If for some reason the email is larger, try sending it to brendagould@comcast.net. In either case, I will send you a confirmation that I received the pictures within 48 hours. If you don't hear from me, you can send again.

If you do not have digital pictures, you have two options. You can mail them to me with an enclosed self addressed, stamped envelope and I will scan them and return them. If you are worried to part with these Kodak moments, I would be happy to scan them myself so you just need to give me a call and we can set up a time to stop by.

We know that there are so many requests for the seniors at this time, but the dvd is really a great keepsake. To be a success, we would like to have the whole class represented. So, talk to your student and send in your Kodak moments as soon as you can!

March 2008

Dear Senior Parents,

It is hard to believe, but in three months our seniors will be graduating. The “Last Night” committee is working hard to prepare a fun-filled last night for our graduates on Friday, June 6th. **We are asking for your help with pictures for this night.**

Enclosed you will find **two requests** for pictures from **two different committees**. Please take the time to read both requests thoroughly.

The first is a request for pictures for a DVD that will be shown at Last Night and the students will leave with their own copy.

The second is a request for pictures for the photo wall at Last Night. Laminated posters of pictures will line the Last Night area and be stored for future reunions.

PLEASE DON'T WAIT UNTIL THE DEADLINE TO SUBMIT THESE PICTURES!!!

Pictures for the **DVD are due April 8th** and Pictures for the **photo wall are due April 26th**. You would not want your graduate to be left out of these senior class memories.

Sincerely,

Brenda Gould

PHOTO WALL POSTERS

For Last Night, we will be creating laminated posters with pictures collages of all the seniors through the years. We would like photos of all the members of the 2008 graduating class throughout their years in the Westford school system. The photos are displayed so the students can see themselves and their friends as they went thru pre-school, kindergarten, scouts, sports, dances and any other group activities.

To create this display, we need your help. We would like:

4 photos of your student either alone or with classmates during the last 12 years of school

Please take your photos to Printing Solutions at 6 Carlisle Place to be copied for a fee. They will copy your photos, hand you back your original pictures and hold onto the copies for the Last Night committee.

If you have the capability of making your own copies, mail copies to me at the address below. Please do not send original pictures as they will not be returned.

DEADLINE: Saturday, April 26th
