

Invest In Your Child with the Westford Elementary PTO

These are just a handful of the diverse and culturally enriching programs the **Invest In Your Child** fundraiser helped sponsor last year at the six lower elementary schools in Westford. In 2008, the Westford Elementary PTO (WEPTO) introduced this new fundraising program to streamline the number of PTO sponsored fundraisers. This campaign provides parents the opportunity to support the Westford schools and their child's in-school cultural education. The program has proved to be an immense success raising nearly **32%** of our annual budget!

Your generosity to this initiative provides crucial funds that support many worthwhile programs that get your children excited about learning. **Invest in Your Child**'s success completely depends on parent support. Your donation will enable us to continue to support wonderful PTO programs including the Arts & Education Program, Star Reader, Math and Science Nights, as well as provide funding for library grants, principal funds and teacher/classroom supplies.

WEPTO is a non-profit organization. All donations are **100% tax deductible** and all proceeds benefit WEPTO. Many employers match charitable donations. Consider checking with your employer to see if they offer this benefit.

You can now donate to the WEPTO **Invest in Your Child** program online using PayPal. Visit our website: www.westford.com/westelmpto and click on the "Donate" button. On the PayPal review page under "add special instructions to seller" be sure to include your child's name, teacher and school.

Given this challenging economy, the suggested donation amount is \$60 per family however all amounts are welcomed and **greatly appreciated!**

Thank you for your continued support of Westford Elementary PTO!
